L Day

One of the highlights of the fall was L Day, observed on November 1, the Friday of the Butler game. Preparations for this event began with the selection of Miss Lee High School and her court. The student body elected Sallye Black Miss LHS, Charlotte Massey and Brenda Cone senior maids, Pam Parsley junior maid, and Susan Smith sophomore maid. At a spirited pep rally on Friday morning these girls were presented by J. R. Brooks, Student Council president.

L Day festivities were to continue with an afternoon parade downtown; however, rain caused a two-week postponement of this activity. The day's events ended with a sock hop in the gym, concluding one of the most successful Student Council projects of the year.

Miss Lee High, Sallye Black, and Student Council President, J. R. Brooks, are pictured at the L Day game.

Miss LHS receives a silver loving cup from Mr. Hamilton during the pep rally.

The Student Council provides a channel through which pupils of Lee practice self-government. In so doing, they better prepare themselves to accept the responsibilities of American citizenship after high school graduation. The principal function of this organization is to coordinate school activities and provide opportunities for students to participate in extracurricular programs. The major projects this year have included publication of a student handbook, sponsorship of sock hops after ballgames, direction of I. Day festivities, and organization of the Inter-Club Council.

The Lee High School Band Generals of 1963-64, under the direction of James Foley were designated as the "Ambassadors of Good Will" from the Rocket City, U.S.A. by the Honorable R. B. Searcy and commissioned as the Official Representatives of the State of Alabama by the Honorable George Wallace, Governor of the State of Alabama, in the Orange Bowl Festival, Miami, Florida.

Their appearances included the Santa Claus Bowl Parade and the half time show at the Annual Santa Claus Football Classic in Lakeland, Florida on December 27. The following day the band broke all precedents in the Junior Orange Bowl Parade in Coral Gables, Florida, as they were the first and only, out of state band ever to make an appearance in this parade. They were one of four out of state bands to appear in this year's King Orange Parade, and the only radio controlled band in the world, ever known to make an appearance in any parade. The majorettes received the honor and distinction of being delegated as the Junior Hostesses at the International Dinner, in the Hotel Seville, Miami Beach on December 28.

Our first season as a full fledged high school was not the brightest of seasons. But I feel we have made a good start. We beat some good teams and we lost some close games we might have won.

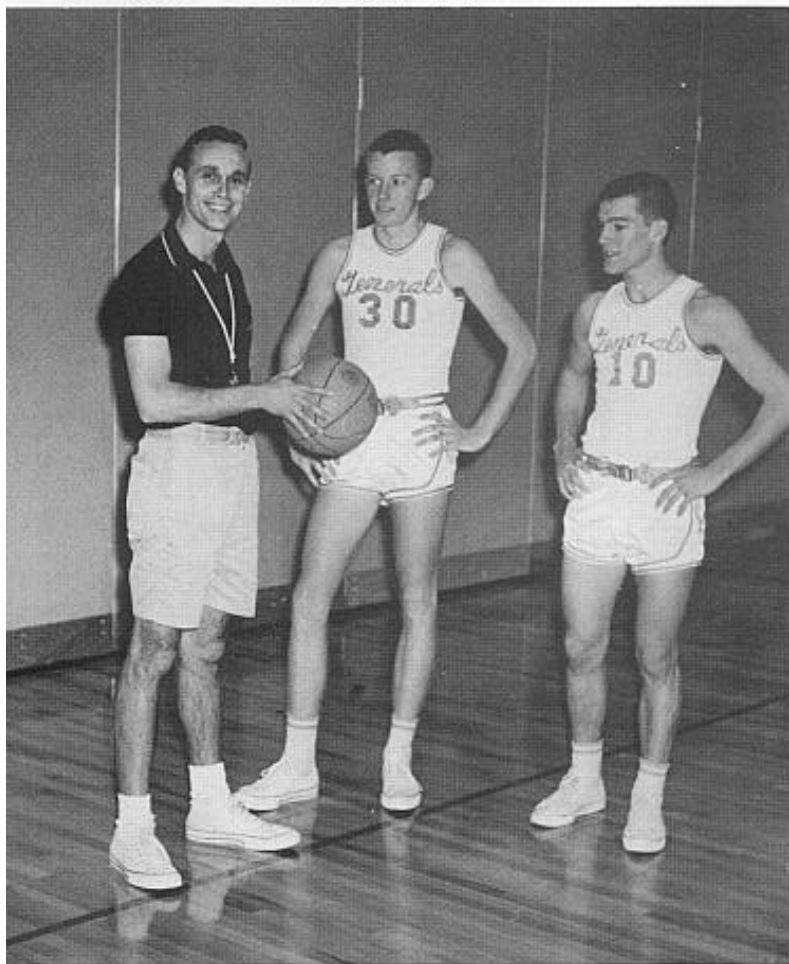

I think the future will bring a deep feeling of satisfaction and accomplishment to the boys who participate in athletics and to the student body who support the sports program.

Athletics help teach that the price to win in life is high. May we be willing to pay this price.

"B" Team

Kneeling (left to right): Taylor Wright, Forward; Cecil Tipton, Guard; Mike Cortright, Guard; Max Garrison, Guard; Layton Spry, Guard; Butch Newby, Forward.
 Standing (left to right): Elbert Balch, Forward; Steve Daugherty, Forward; Steve Boyer, Center; Coach Grady Elmore; Phil Stewart, Center; Bill Gow, Center; Charles Mason, Forward.

The Generals began a very fine season with wins over their first four opponents.

It is felt that good basketball teams must compete against equally good teams. With this concept in mind the Generals have scheduled only top flight teams.

Beginning with 1961-62 the Generals started a Sophomore team that won 8 and lost 8. This year we'll certainly have a fine record and we can look forward with great anticipation to the 1964-65 season when the Lee High Generals will have a Senior Basketball team.

Spring Sports

Baseball and track are an integral part of the athletic program at Lee. The spring athletic program is centered around these two activities.

The 1963 season saw Lee field a representative baseball team winning 8 games and losing 2.

The track team won 2 dual meets and lost 2 dual meets. Also they participated in 3 tri-meets.

With the addition of a Senior Class the 1964 season should see the Generals field even stronger squads in these two sports.
